

Moving brands. *Building markets.*

A Dubai-born distribution company connecting quality brands with customers across the UAE and wider GCC.

Four decades of enterprise.

Founded in Dubai in 1981, AWS Distribution builds, grows and connects a diverse portfolio of brands with retail, wholesale, food-service and regional customers.

01

Dubai heritage

A business outlook shaped by one of the world's most connected trading cities.

02

Portfolio depth

More than 50 brands spanning six commercial categories and everyday needs.

03

Regional reach

UAE distribution supported by relationships across Saudi Arabia, Kuwait, Oman, Bahrain and Qatar.

Brands for every day.

Our commercial teams develop category depth, build the right channels and give each brand focused support for sustainable market growth.

01

Food & FMCG

Pantry, chilled, frozen and food-service products.

02

Electronics

Consumer electronics and dependable home appliances.

03

Travel & lifestyle

Luggage, bags and products for modern journeys.

04

Home & care

Home textiles, hygiene and everyday care products.

05

Family & play

Children's essentials, toys and family products.

06

Office & industry

Stationery, workplace tools and specialist equipment.

From arrival to aisle.

One coordinated operating system connects sourcing, storage, sales and distribution across the region.

01

Import & sourcing

Demand-led planning, principal coordination and import support.

02

Warehousing

Organized storage and inventory handling for dependable availability.

03

Cold-chain

Temperature-controlled support for chilled and frozen goods.

04

Sales & merchandising

Channel development, listings, visibility and retail execution.

05

Regional distribution

UAE-wide service with commercial reach across GCC markets.

06

Market intelligence

Practical insight from customers, channels and experienced teams.

Let's move forward *together.*
